

POETRY.

Sing Me to Rest
Sing me to rest mother! I weary of life,
Of the world's falsehoods, it wears and
tears me.
I am no longer so sweetly idle
as before.

The hours that I've oft spent in play at
my knee!
Of the joys that you told me the future would
bring.
To dream my young day dream, to kiss
yours fair brow.
But oh! my own mother, you little did think
How sweet at various dark fountain I'd
drink.
The wild wind of winter has blighted the
tree.
In childhood so joyous, with pleasure no rite
and custom did come from that ev'ry day.
Told thine arms round me mother again as
of yore!
On thy breast I'd repose, never to wake, nor
to weep.
The night now my mother! O rock me to
sleep!

AUGUSTA GLOVER.

SUNDAY READING FOR YOUNG MEN.—
Question.—What are those sweet
elected, little known, young men, with
hair nested in the middle, good for?
Answer.—Good for the place they are
generally used, to stand up around
church doors, and street corners, and
gape at those who are trying to go some-
where, or to do or be something. Every
time I see one of these soft attempts at
humanity, I feel an almost irresistible
desire to clap a ban box down over the
tender thing, and set it out of the reach
of frost to harden." Hit 'em again.

A couple of men, brethren of the same
secret society, were travelling together,
and the purse of one of them giving out;
he nonchalantly proposed to share that
of his comrade, but was met with a flat
refusal. "Why not share your purse
with me? Ain't we brother?" he asked.
"O yes; but then, you see, our purses
ain't sisters."

THE GREAT
SOUTHERN PIANO

Manufactury.

W. M. KNABE & CO.

MANUFACTURERS OF

GRAND, SQUARE AND UPRIGHT
PIANO FORTES.

Baltimore, Md.

These instruments have been before the
Public for nearly Thirty years, and upon
their excellence alone attained an unpar-
alleled pre-eminence, which pronounces them unequalled.

Their TONE combines great power, sweet-
ness and fine singing quality, as well as great
power of intonation and sweetness through-
out the entire scale.

Their TOUCH is pliant and elastic, and
entirely free from the stiffness found in so
many pianos.

IN WORKMANSHIP they are unequalled
using none but the very best SEASONED
MAHOGANY, the large capital employed in our busi-
ness enabling us to keep continually an im-
mense stock of lumber, &c., on hand.

ALL OUR PIANOS have our New Im-
proved Overstring Scale and AGAFÉA TREBLE.
We would call special attention to our
late improvements in GRAND PIANOS AND
SQUARE GRANDS, PATENTED AUGUST 14
1866, which bring the Piano nearer perfection
than has yet been attained.

Every Pianoforte warranted for Five Years.

We have made arrangements for the SOLE
WHOLESALE AGENCY for the most celebrated
PARLOR ORGANS AND MELODEONS,
which we offer Wholesale and retail, at
lowest Factory Prices.
